Platinum Edition

May - The End of the Chapter Year

Let me begin by thanking all of our Detroit membership, including its Board of Governors, our advisors, and our volunteers. It was an honor to represent and lead a chapter with national acclaim. Clearly, our theme of Driving Excellence in Detroit was not only met but also exceeded everyone's expectations!

When I look back over the past year, our accomplishments as a group were truly amazing. We developed a key vision and strategic plan in June and we tactically executed each and every month and ensured alignment throughout our vast membership base. This year, we completed our website design, optimized our pricing to increase membership participation, held numerous webinars and social events and also gave back to the community through financial contributions to Junior Achievement, the 9-11 Fund, and our Scholarship Endowment.

Our diverse programs commenced in September and included a special event on ethics with "Crazy Eddie". We completed another successful spring seminar and achieved our goal of Platinum Status. We will be completing our monthly program on May 14 with our first ever Internal Audit Executive of the Year Award that we anticipate will be an annual event to highlight key audit leadership in Detroit.

Of course, it would be a true oversight to not highlight, our 70th celebration with Douglas J. Anderson of Dow Chemical Company and our keynote speaker J. Michael Peppers, Chairman of the Institute of Internal Auditors North American Board. It was an amazing event with numerous past presidents and over 170 participants. It truly showed Detroit Chapter Excellence!
